

School Supplies

20010-2011

To all Families:

Here is a list of supplies needed for the start of school.

Mr. Crush –

- **Geometry** - Marble Composition notebook

Mr. Overholt –

- **Advanced Chemistry** – each student will need two quad-ruled composition books for labs.
- **AP Physics** – each student to have one quad ruled composition book for labs.
- **Physics I and Chemistry I** – students must have scientific calculators

Mrs. Sivley –

- **Biology I, Anatomy & Physiology, Environmental Science** –
 - Textbook (issued by teacher)
 - 2"-3" 3-Ring Binder – to keep handouts and notes
 - Colored Pencils
 - 2"-3" 3-ring binder for LABS
 - Notebook paper
 - Sharpie marker
 - Glue stick or double sided tape
 - Cover for textbook
 - 1 pack of dry erase markers (to be left in the classroom)
 - Box of latex or latex free gloves markers (to be left in the classroom)
 - 1 container of Lysol wipes (or other brand – to be left in the classroom)
 - 1 pack of paper towels (to be left in the classroom)
 - Goggles. Goggles can be purchased first week of school for \$7.00 (these can be used in all future science classes) - goggles not purchased through LVCHS will NOT be permitted
- **AP Biology** – All of the above AND a spiral notebook for AP Biology reviews
- **Physical Science** – Graph paper, scientific calculator

Mr. VanDuzer –

- Bible
 - Three-ring binder with "college ruled" paper
 - New American Standard Version (updated preferred) of the Bible. (Please note, students will be expected to underline in the Bible)

If other supplies are required, the students will be given that information the first week of school.
